Dear (Credit Bureau Name):

I have gone over this previously with your company regarding errors which I have and they continue to remain in my consumer credit report.

I am again noting that problems have been discovered and they continue to remain unresolved. I don't know how to better state my problem nor do I know how to correct the errors.

The following accounts are not mine.

Account Name & Numbers

Since you have not given me names of persons with their business addresses that you contacted for re-verification of the information, so that I could follow up as I requested, I assume that you have not been able to verify the information I have disputed.

If this problem continues and I am forced to seek some form of professional assistance, you have been forewarned of the harm that this problem is causing me.

I shall assume that 30 days constitutes a "reasonable time" to complete these actions unless you immediately notify me otherwise.

Please send me an updated copy of my credit report with these items deleted.

Thanks,
